COMPROMISE AGREEMENT AND RELEASE

Plaintiff Jimmy Earl Downs ("Plaintiff") and the Defendants Cheryl Burson, David Grusman, Howard Skolnik, Harold Wickham, Brian Williams, the Nevada Department of Corrections, the State of Nevada, and any and all other individuals or entities named in Plaintiff's underlying lawsuits pending in the United States District Court, District of Nevada case numbers 2:07-cv-00116-JCM-VCF and 2:12-cv-00326-GMN-GWF (hereinafter "Defendants") on behalf of themselves and all representatives, employees, employers, agents, attorneys, affiliates, successors, heirs, and assigns, in consideration of the promises made herein, agree as follows:

Nature and Effect of Agreement

1. This agreement consists of a compromise and settlement by the parties of their claims against the other party, and a release given by each party to the other relinquishing all claims against the other. By executing this agreement, each of the parties intends to and does hereby extinguish the obligations heretofore existing between them. This agreement is not, and shall not be treated as, an admission of liability by any party for any purpose. This agreement is entered into in good faith, in accordance with NRS 17.245 *et seq.*

2. The scope of this agreement covers all events and disputes described herein and those events or occurrences complained of in the legal actions described in paragraphs 5-7 of this agreement.

3. The parties agree and acknowledge this agreement is enforceable in any prior, on-going, or future administrative hearing, inmate request ("kites"), or grievance (formal or informal) arising from or related to the actions described in paragraphs 5-7 of this agreement.

4. The parties acknowledge that this agreement is a complete compromise of all matters involving disputed issues of law and fact relating to the actions described in paragraphs 5-7 of this agreement and the parties assume the risk that the facts or law may be otherwise than they believe when entering into this agreement. Plaintiff is

1 further prevented from arguing or asserting this agreement is an admission of fault,
2 liability, or guilt as to any of the claims set forth in paragraphs 5-7.

3 Nature and Status of Dispute

4 5. On January 18, 2007, Plaintiff filed his *Civil Rights Complaint* in the Eighth
5 Judicial District Court, State of Nevada, entitled *Downs v. Grusman, et. al.*, case
6 number A 533747 which was later removed to the United States District Court, District
7 of Nevada and given the case number 2:07-cv-00116-JCM-VCF. All papers, pleadings,
8 and orders from this action are hereby incorporated herein as though set forth in full at
9 this point.

10 6. On January 10, 2012, Plaintiff filed his *Civil Rights Complaint* in the Eighth
11 Judicial District Court, State of Nevada, entitled *Downs v. Leffner, et. al.*, case number
12 A-12-654462-C which was later removed to the United States District Court, District of
13 Nevada and given the case number 2:12-cv-00326-GMN-GWF. All papers, pleadings,
14 and orders from this action are hereby incorporated herein as though set forth in full at
15 this point.

16 7. These lawsuits allege various purported violations of Plaintiff's
17 constitutional rights and/or federal laws relating to his incarceration. Defendants have
18 appeared in various ways in both of these actions and have opposed, denied, and/or
19 challenged Plaintiff's allegations in both of these lawsuits.

20 Resolution of Dispute

21 8. Plaintiff will sign and deliver to Defendants' counsel signed Stipulations
22 and Orders for Dismissal with Prejudice for each of the legal actions identified in
23 paragraphs 5-6 as set forth above.

24 9. Defendants agree to pay a total of THREE HUNDRED AND FIFTY
25 DOLLARS (\$350.00) to Plaintiff in the form of a check made payable to Plaintiff within
26 two (2) weeks of the receipt of the signed Stipulations and Orders for Dismissal with
27 Prejudice for the lawsuits identified in paragraphs 5-6 as set forth above.

Mutual Compromise Agreement

10. Each party, in consideration of the promises and concessions made by the other, hereby compromises and settles any and all past, present, or future claims, demands, obligations, or causes of action, whether based on tort, contract, or other theories of recovery, known or unknown, which that party has or which may later accrue to or be acquired by that party against each other party and each other party's personal representatives, employees, agents, attorneys, predecessors and successors in interest, heirs, shareholders and assigns, arising from or in any manner related to the subject matter of the disputes described in paragraphs 5-7 of this agreement.

Mutual General Release

11. Each of the parties on behalf of itself, its personal representatives, employees, agents, descendants, ancestors, dependants, heirs, affiliates, shareholders, successors, executors, attorneys, administrators, spouses, and assigns, hereby fully releases and discharges each other party and that party's personal representatives, employees, agents, descendants, ancestors, dependants, heirs, affiliates, shareholders, successors, executors, attorneys, administrators, spouses, and assigns, from all rights, claims, and actions which each party and the above-mentioned successors now have against each other party and the above-mentioned successors, stemming from their differences arising from or in any manner related to the subjects of the disputes described in paragraphs 5-7.

Unknown Claims

12. Each party on behalf of itself and the above-named successors, agents, attorneys, and assigns acknowledges and agrees that the release given to each party upon executing this agreement applies to all claims for injuries, damages, or losses to each party's own person and property, real or personal, whether those injuries, damages, or losses are known or unknown, foreseen or unforeseen, patent or latent, which each party may have against each other party. Each party further understands and acknowledges that the significance and consequence of this waiver is that even if

1 that party or that party's personal representatives, employees, agents, descendants,
2 ancestors, dependants, heirs, affiliates, successors, executors, attorneys,
3 administrators, spouses, and assigns should eventually wish to bring additional claims,
4 or suffer additional liability or damages arising out of the matter referred to in
5 paragraphs 5-7 of this agreement, no party will be able to make any claims or pursue
6 any liability or damages that may exist as of the date of this release but which the party
7 does not know exist, and which, if known, would materially affect that party's decision to
8 execute this release, whether such decision is the result of ignorance, oversight, error,
9 negligence, or any other cause.

10 No Warranties or Representations

11 13. The undersigned warrant that no promise or inducement has been offered
12 except as herein set forth; that this release is executed without reliance upon any
13 statement or representation of the person or parties released or their representatives
14 concerning the nature and extent of the damages and/or the nature and extent of the
15 legal liability therefore and/or the nature and extent of liability insurance available with
16 respect thereto.

17 No Assignments of Rights

18 14. The parties represent that they have not heretofore assigned or
19 transferred, or purported to assign or transfer, to any person or entity, any claim or any
20 portion thereof, or interest therein, and agree to indemnify, defend, and hold one
21 another or any related person or entity of the parties, as described above, harmless
22 from and against any and all claims, based on or arising out of any such assignment or
23 transfer, or purported assignment or transfer, of any claims or any portion thereof or
24 interest therein.

1 Advice of Attorney

2 15. Each party warrants and represents that in executing this agreement,
3 each party has had the opportunity to consult an attorney and that each party fully
4 understands the terms of this agreement. Each party further acknowledges and
5 represents that, in executing this release, each party has not relied on any inducements,
6 promises, or representations made by the other party or its attorney that are not
7 expressly set forth in this agreement.

8 Conditions of Execution

9 16. Each party acknowledges and warrants that each party's execution of this
10 release is free and voluntary, that the undersigned is of legal age, legally competent to
11 execute this Release, and executes this Release after careful deliberation and

13 Execution of Other Documents

14 17. Each party to this agreement shall cooperate fully in the execution of any

16 necessary or appropriate to give full force and effect to the terms and intent of this
17 agreement.

18 Attorneys' Fees

19 18. Except as otherwise provided above, each party to this agreement shall
20 bear all attorneys' fees and costs arising from that party's own counsel in connection
21 with the dispute set forth in paragraphs 5-7 the matters referred to herein, and all
22 related matters.

23 If any party is required to employ an attorney to enforce the provisions of this
24 agreement, the party may recover its reasonable attorneys fees incurred to enforce the
25 provisions of this agreement. This paragraph shall be applicable to this entire
26 agreement.

Res Judicata or Collateral Estoppel

19. If a dispute or controversy, arising from or relating to this Agreement, subsequently arises between the parties, or their agents, principals, or assigns, including a dispute over whether a subsequent, independent lawsuit reasserts claims now settled by this agreement and whether such reasserted claims should be barred by the doctrines of *res judicata* or *collateral estoppel*, and such a controversy requires resolution by means of arbitration, court adjudication, court hearing, or trial, the prevailing party of any such dispute shall be entitled to recover, as a matter of right, its reasonable attorneys' fees and/or costs expended in resolving such matters.

Entire Agreement

20. This agreement contains the entire agreement between the parties.

Effective Date

21. This agreement shall become effective immediately upon execution by the parties, supersedes any previous agreements or understandings, and may not be modified except in writing signed by all parties.
